

## FAQ's

<b>Did you know there is a half marathon?</b>	Yes, public transport/UBER will be your best bet. Parking is terrible down there. I cannot find info on the route so getting here early is a good idea.
<b>Can we come early?</b>	Yes, but rehearsal start time is firm.
<b>Can you change my class rehearsal time?</b>	No, luck. Just too many students and families this year. Good problem to have, but I cannot change anything.
<b>What if we can't make it?</b>	Let me know, it is not the end of the world but we really encourage you to come to rehearsal.
<b>Make-up?</b>	Not necessary but if you want a little lip or mascara please feel free. Junior and Teen teams have a make-up plan.
<b>Shoes?</b>	Amazon or <a href="http://DiscountDanceSupply.com">DiscountDanceSupply.com</a> Jazz 1 tan jazz shoes would be great, theatrics brand are good and inexpensive
<b>Tights?</b>	One pair with costume, if you need more, footed tights not footless or convertible. These are not comfortable for little dancers.
<b>Short Hair?</b>	Half up ponytail or bobby pinned away from face on both sides with hair colored bobby pins.
<b>Can we take pictures at rehearsal?</b>	Snap away! No phones or cameras at the show on Sunday! There is a professional videographer and you will receive your download link 3 weeks after the show.
<b>Tickets?</b>	\$20 and on sale April 15. Please note that due to a small theater, each family can buy 4 tickets at first. After that, please let me know how many more you will need. This ensures each family has some seats. I will sell excess tickets beginning April 30. If your child is in 2 shows, I encourage you to buy tickets for one show first and I will try to comp you into the second show when I know how many tickets are left.
<b>Seats?</b>	Seats are not assigned but if you have anyone who needs a handicapped accessible seat please let me know. Parents helping with quick changes will have reserved space.
